Though CS50x’s deadline has already been extended to 31 December 2021, *this version* of this problem set will only be accepted until the date and time above. Thereafter, you may only submit work from CS50x 2021, which will be released on 1 January 2021. **Not sure you’ll finish the course by then (<https://cs50.harvard.edu/x/2020/faqs/#i-wont-be-able-to-finish-the-course-before-31-december-2020-what-will-happen>)?**
